The weather cooperated and while the turnout was smaller than we had hoped, those who were here had a great time. Blacksmith Hoss grilled burgers and dogs and everyone enjoyed a delicious lunch after the match. Thanks to Crafty Cate for the potato salad. It was great!

Mosey West, Pokey Loader, and Buck Knife Billy all shot the match clean this month and I want to add that this was Buck Knife Billy's first clean match! Congratulations! The youngsters are the future of this sport and I am so proud to be coaching him and his sister Locomotive Lilly.

Pokey Loader and Marshal Dan Troop won the first 2 Bass Pro Shop gift certificates that we are giving away this year. Because of a gift from a person who has asked to remain anonymous, we will be giving away 2 Bass Pro gift cards at each Goddard Cowboys match for the rest of this season.

Best Regards,
Granny Annie
