Goddard Team Shoot

The Goddard Team Event was a a contest to see which team of shooters could cut a board the fastest using pistols or, if age required, rifles. The shooters using .22 caliber firearms broke a 1x2 inch board and the others broke a 2x4 inch board.

The winning team of the .22 Category was Baaaaad Phil, The Devil, and Buck Knife Billy.

The winning Regular Team was Bronco Bullseye, Memphis Raines, Big Jack Pepper, and Charlie.

A great big THANKS to Bear Tooth Billy & Pam and Dusty Tagalon for helping us set up on Saturday night! Also a big THANKS to Brownells for providing some really nice items for our door prize drawings. It was a beautiful day for a shoot and ML did a great job writing some ghoulish stages. Buck Knife Billy and W. M. Jones both shot the match clean.

We want to thank everyone for their support this year. It has been a real pleasure having you all here and we're looking forward to another great season in 2012.

We appreciate your support and want to do something special next year so - - - every paid shooter at every 2012 Goddard Cowboys or Phoenix Irregular Guard match will receive an entry into a Grand Prize Drawing. At the awards party following the October Goddard Cowboys match we will draw one lucky winner and that shooter will receive a \$100.00 bill. (The person drawn must be present to win!) If we are able to have two shoots each month, April through October, and you attend every shoot you will have 14 chances at winning the money!

See You All Next Year!
